EM G endless dark tunnel doo woo
Been climbing out of holes till I fell from the sky
Got a hundred the hard way on that Florida die
Fell on my knees and I got fucked
Landed on my back and I grew up
Wore sunglasses on a cloudy day
Been waiting for someone to say

Turn the light on turn the light on ooo ah oo (light on)

I don't know if I'll ever get used to it and I don't know if I'll ever be good ooo ahh
ooo doot doot

Medicated turn the light on
Depreciated turn the light on
So isolated

TEA TIME / PUMPKIN / LITTLE LIGHT capo 5 f7m c g

It's teatime on the terrace

I sit in the sun and think

Oh what a wonderful life it is

To sit on the terrance and sing

I gotta water my pumpkins

Like I need to water my dreams

Caring for them is caring for me that's why its my favorite routine

Well sometimes the world gets windy

And sometimes my roots run dry

That's when I sing I sing to you and we

Grow toward the light

It's teatime on the terrace

I sit in the sun and dream
Oh what a wonderful life it is
Oh what a wonderful life it is
Oh what a wonderful life it is
To sit on the terrance and sing
terrance and sing
terrance and sing
terrance and sing

This little light of mine
I'm gonna let it shine
This little light of mine
I'm gonna to let it shine, yeah
This little light of mine
I'm gonna let it shine
Let it shine, let it shine

When the sun goes behind the moon
I'm gonna let it shine
I'll go to SpaceProm with you
I'm gonna let it shine
Utopia we love you
Let it shine lets it shine let it shine

A-amen, A-amen, A-amen, Amen, Amen
I wonder would everybody join me on the last chorus
